OFFICE OF PETITIONS

In re Application of	:	
Eise Carel Dijkmans, et. al.	:	
Application No. 10/055,388	:	ON PETITION
Filed: January 23, 2002	:	
Attorney Docket No. NL 010029	:	

This is a decision on the petition under 37 CFR 1.137(b), filed on February 12, 2008, to revive the above-identified application.

The above application became abandoned for failure to file a proper reply to the final Office action mailed May 31, 2006. A Notice of Abandonment was mailed on September 11, 2007.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

Further, there is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of Michael J. Ure appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party in whose behalf he acts.

As authorized, the petition fee of \$1,540 and the Request for Continued Examination (RCE) fee of \$810 have been charged to petitioner's deposit account.

The petition satisfies the requirements of 37 CFR 1.137(b), in that, petitioner has supplied (1) the reply in the form of an RCE with the \$810 filing fee; (2) the petition fee of \$1,540; and (3) a proper statement of unintentional delay. Therefore, the petition is **GRANTED**.

This application is being revived for consideration of the RCE filed on February 12, 2008.

The application file is being referred to Technology Center Art Unit 2618, for consideration/entry of the amendment previously filed on August 31, 2006.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.

A handwritten signature in black ink, appearing to read 'Andrea Smith', is written over the printed name.
